9. ☐ Other _____.

The following is an examiner's statement of reasons for allowance:

The closest art of record, namely, Fleck et al. (6,260,137) does not teach the claimed "memory access system" having the combination of elements including "a register...memory addresses", "address generating circuitry...objects", "a first memory access unit...first and second addresses", "a second memory access unit...memory" and the limitation "wherein when said second memory access unit is inactive, said second address is issued to said second memory access unit to allow simultaneous memory accesses to be made by the first and second memory access units." Fleck does not teach a second memory access unit for receiving a second address when it is inactive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Jack A Lane whose telephone number is 703 305-3818. The examiner can normally be reached on Mon-Fri from 7:30AM-6:00PM.
